Sir:

Applicants advise that the computer readable form in the above-identified application is identical with that filed in U.S. Serial No. 08/746,361 filed November 8, 1996, which is a continuation-in-part of U.S. Serial No. 08/487,550 filed June 7, 1995, which is now U.S. Patent No. 6,113,898.

Accordingly, in accordance with 37 C.F.R. §1.821(e), please use the computer readable form filed in the parent application, Serial No. 08/746,361, as the computer readable form for the instant application. The content of the sequence listing information recorded in computer readable form is identical to the written sequence listing. It is understood that the U.S. Patent & Trademark Office will make the necessary change in application and filing date for the computer readable form that will be used for the instant application. A paper copy of the Sequence Listing, as filed in the parent application, is to be incorporated into the present specification.

Respectfully submitted,

Pillsbury Winthrop LLP
